The minutes from the January meeting were approved. Tom indicated that the Golf Authority approved our dates for our major events.

Ciro indicated there should be a weekend event during the Shoreline and it was agreed that the change to the schedule should be made.

Tom discussed a possible mixed event with the Women's Club sometime in mid-April.

A brief discussion ensued regarding the format of the opening event, whether to go back to an A-B-C-D grouping or a two-man scramble or what. No decision was reached.

Frank reminded the board of the importance of some early event that both helps bring in new members but also introduces them to other board members.

Jim Romaniello agreed to contact the Golf Training Center in Norwalk for a possible event in late March to support the new membership drive.

The 2008 budget based on 450 members was reviewed and approved and includes our hosting the Shoreline event this year.

Billy Lombardo is looking into a Grillo-Grillo event.

Ian Boccaccio was voted in as a board member.

Lengthy discussion ensued regarding the Golf Fusion website and whether we want to move ahead with it for this year. No decision was reached and no vote was taken.

Frank mentioned that he attended a rules seminar and it was discussed and agreed that the rules committee should be made up of more than just one person. A suggestion was made to invite Rick (?) from the MGA to our next meeting.

Sean raised for consideration, earning points for weekend events that would accrue throughout the year and thereby identify flight winners over the entire season.

Sean made a motion, which was seconded by Josh and passed in vote to approve the dates of the major events.

At 7:15 PM Frank made a motion, which was seconded by Bob and passed in vote to adjourn.
